CATALOGUES FREE TO ANY ADDRESS ON APPLICATION.

VIOLIN, BANJO, GUITAR and MANDOLIN STRINGS.

Singly, in Sets and by the Dozen.

We guarantee the following Strings to be in every respect just as represented, and we have made the prices as low as they can be made for Strings of equal quality. It is customary by dealers in pricing strings to mark them up to even money. We do not do so. If we can afford to sell a string for 27 cents each, we catalogue it for 27 cents and not 30 cents as is customary. In the same manner for sets, if we can afford to sell a set for 72 cents, we have so listed it, instead of 75 cents as all other dealers would do.

We send all Strings ordered by mail, prepaid at our expense, but will not guarantee their safe delivery unless eight cents extra is sent with each order for registering.

We will not sell less than one dozen strings at the dozen price except such as are listed at more than \$2.00 per dozen; neither will we allow any discounts from these prices except on orders amounting to over \$5.00 at one time, in which case we will allow ten per cent. discount on \$5.00 orders, twenty per cent. discount on \$10.00 orders and twenty-five per cent. discount on \$25.00 or larger orders.

Remit by Money Order, Bank Check or Draft, or by Cash in Registered Letter. (Amounts less than \$1.00 may be sent in Stamps.) Direct your orders plainly to

LIST No. 5 OF THE LATEST HIGH-PRICED SHEET MUSIC AT CUT PRICES.

Including all the Great "Hits" of the Day, usually sold at from 40 to 75 cents each, but now offered at special rates.

In this list will be found the latest music published by the leading publishers of America. No old music is included, each and every one of these pieces having been issued during 1894-1897.

We have decided to offer this music to our customers at a greatly reduced price, providing that in each order, which may be for one or more pieces, you will mention the names of one or more extra pieces to be sent in case any you order are temporarily out of stock. Thus, if you want four pieces and name six, we can find four out of the six in our stock and fill order at once. Otherwise we might have to make you wait until we could order and get the missing piece from some publisher perhaps hundreds of miles away.

The price named in the first column is that at which the piece is published and the price in the second column that at which we furnish the piece to you, all postage paid by us. This offer refers only to Sheet Music published in the United States.

Bear in mind that this is not five or ten-cent music, but is the original high-cost publications which we offer to our customers at a greatly reduced price. Any piece of Sheet Music published in the United States not found in this list, be it new or old, will be furnished on the same terms.
